

Residential LED Lamps

Standards:

- LED light bulbs (lamps) or fixtures 500 lumens or greater
- Medium, GU24 or other residential/light commercial oriented base.
- LED tubes and similar multi-LED applications such as rope or under-counter lighting will be considered by the fixture

Incentive is the lesser of \$10 per lamp or fixture or 50% of the lamp/fixture cost.
Cap of 50 lamps per year per consumer account

LED Pole-Mounted Lighting

- LED only
- One project per consumer account per year
- Minimum light output 2,100 lumens
- Must be grid connected
- Retrofit and new construction

Incentive is based on the lumen output. Capped at 25% of the head cost. Per project cap of \$20,000.

Please contact Member Services for commercial lighting incentives.
